Insurance Information

Medical insurance policies do not typically cover weight management care and related expenses, including laboratory testing, electrocardiograms, prescription medication and related supplements. If your primary diagnosis is obesity, you may not bill your insurance company for a co morbid condition. Doing so may result in a charge of fraud against you and/or the physician. An appropriate receipt of payment will be provided, including a charges and descriptions of the office visit for the different

levels of service provided. The codes used for this purpose may or may not correspond to the codes used by insurance companies. Changes to "codes" will not be made for the use of any insurance company. Insurance companies may reimburse patients for expenses related to weight management, for instance if co-morbid conditions are also part of the weight management treatment, but reimbursement will not be made from the insurance company to the physician. Again, please understand that **Advanced Aesthetic Medicine, LLC (A subsidiary of Advanced Spine & Pain Interventions, LLC)** will not present a bill to any insurance company for weight management services or related charges. Also, **Advanced Aesthetic Medicine, LLC (A subsidiary of Advanced Spine & Pain Interventions, LLC)** will provide what is considered an appropriate receipt, as above described and is not obligated to complete any form that may be provided by a health insurance company sent to the patient or physician in this regard. If you are covered by MEDICARE INSURANCE you must complete and sign an informed waiver prior to participation in this Weight Management Program.

Medicare Beneficiary

Are you currently a beneficiary of Medicare? Yes No

Supplement Key Chain Pill FOB

We may provide a supplement key chain pill container as part of a new patient starter kit or as separately sold item. This container is not approved or appropriate for storing controlled substances, such as prescribed medications. All prescribed medications must remain in their originally labeled bottle.

Patient Statement of Understanding

I have read and fully understand the above information related to insurance and participation in the **Advanced Aesthetic Medicine, LLC (A subsidiary of Advanced Spine & Pain Interventions, LLC)** weight loss program. I have also had the opportunity to ask questions regarding these issues. I am aware that I will receive an appropriate receipt of payment for my personal use as I see fit to do so. I understand the specifics of these receipts and limitations as described in this document. I accept these specific policy rules.

HIPAA Notice of Privacy Practices

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

This Notice of Privacy Practices describes how we may use and disclose your protected health information to carry out treatment, payment, and healthcare operations, and for other purposes that are permitted or required by law. It also describes your rights to access and control your protected health information. Protected Health Information, or PHI, is information about you, including demographic information, that may identify you and that relates to your past, present, or future physical or mental health or condition and related healthcare services.

Uses and Disclosures of Protected Health Information

Your protected health information may be used and disclosed by your physician, our office staff, and others outside of our office that are involved in your care and treatment for the purpose of providing health care services to you, to pay your health care bills, to support the operations of the physicians practice, and any other use required by law.

Treatment

We will only use and disclose your protected health information to provide, coordinate, or manage your health care and related services. This includes the coordination or management of your health care with a third party. For example, we would disclose your protected health information, as necessary, to a home health agency that provides you care to you, or provide it to a physician whom you have been referred to ensure that the physician has the necessary information to diagnose or treat you.

Payment

Your protected health information will be used as needed to obtain payment for your health care services.

Healthcare Operations

We may use or disclose, as needed, your protected health information in order to support the business activities of your physician's practice. These activities include but are not limited to quality assessment, employee review, training of medical students, and licensing. For example, we may call you by name in the waiting room when your physician is ready to see you. We may use or disclose your protected health information, as necessary, to contact you to remind you of your appointments. We may use or disclose your protected health information in the following situations without your authorization: as required by law, public health issues, communicable diseases, health oversight, abuse or neglect, food and drug administration requirements, legal proceedings, law enforcement, coroners, funeral directors, organ donation, research, criminal activity, military activity, and national security. Under the law, we must also make disclosures to you, and when required by the Department of Health and Human Services to investigate or determine our compliance with the requirements of Section 164.500.

Other Permitted & Required Uses and Disclosures

Disclosures will be made only with your authorization or opportunity to object unless required by law. You may revoke this authorization at any time, in writing, except to the extent that your physician or the physician's practice has taken an action in reliance on the use or disclosure indicated in the authorization.

Your Individual Rights:

- 1. You have the right to inspect and receive a copy of your protected health information.** Our practice will accept such requests in writing. Under federal law, however, you may not inspect or receive a copy of the following records; psychotherapy notes; information compiled in reasonable anticipation of, or use in, a civil, criminal, or administrative action or proceeding; and protected health information that is subject to law that prohibits access to protected health information.
- 2. You have the right to request a restriction on the disclosure of your protected health information.** This means you may ask us not to use or disclose any part of your protected health information for the purposes of treatment, payment or healthcare operations. You may also request that any part of your protected health information not be disclosed to family members or friends whom may be involved in your care or for notification purposes as described in this Notice of Privacy Practices. Your request must state the specific restriction requested and to whom you want the restriction to apply. Your physician is not required to agree to a restriction that you may request. If a physician believes it is in your best interest to permit use and disclosure of our protected health

information, your health information will not be restricted. You then have the right to use another healthcare professional.

3. **You have the right to request to receive confidential communications from us by an alternative means or at an alternative location.**
4. **You have the right to obtain a paper copy of this notice from us.**
5. **You have the right to receive an accounting of certain disclosure we have made, if any, of your protected health information.** We reserve the right to change the terms of this notice and will post any changes in our waiting areas. You then have the right to object as provided in this notice.

Complaints

You may file any complaints with our Medical Director, Dr. Woodley B. Mardy-Davis, at (678) 401-8993, if you believe your privacy rights have been violated by us. We will not retaliate against you for filing a complaint.
